Specialised Transport
Services & Solutions

”

Individualised
transport and
concierge
experiences.

Company Overview

After studying the transport industry of South Africa for many years, Leethabo's was established to provide a more client centered, personalised, driving experience to the public.

Leethabo's understand that the transportational needs of clients differ on a continuous basis. The founder, Lethabo Mogau Dibakwane, spent many years interacting with clients, building a wealth of knowledge around the needs that clients have.

Now, Leethabo's is in the position to support clients in very unique and specialised ways. With an experienced management team, Leethabo's can compile individualised service packages, including:

- 👤 Communal / Shared Contract Options
- 👤 Scholar Transportation
- 👤 Specialised / Individualised Shuttle Services
- 👤 Drop off and Waiting Services

Our Vision

We desire to form stellar , individualised transportation solutions in various industries, providing clients with a safe, quality and dependable driving experience.

Our Mission

Our mission is to ensure that we provide each client with a specialised driving solution that will allow us to build exceptional relationships that will remain personal in nature. We thrive to provide a safe and courteous experience that will continuously be informed and shaped by customer feedback.

Our Core Values

- 👤 Individualised Experience
- 👤 Quality Service
- 👤 Dependability
- 👤 Safety Concious
- 👤 Courtesy

OUR MANAGEMENT:

Our team is led by Mr Lethabo Mogau Dibakwane. Lethabo has extensive experience in the client transportation industry. He has dedicated his career to improving the travelling experiences of customers across South Africa. As a **B-BBEE Level 1 contributor**, the management of Leethabo Transport Solutions (Pty) Ltd has equipped the organisation with the resources to provide unique and specialised transport solutions to a variety of clients. Lethabo is still an active member of the operational team, dedicated to training young people entering the industry.

OUR COMMITMENT:

We are committed to ensuring a unique and specialised driving experience to all our clients. We commit to listening to the needs and wants of clients, and finding innovative solutions to support all our clients' needs.
